EULOGY for DONALD E. GARLAND

It seems contradictory to speak of "laying Don Garland to rest."
"Repose" was as foreign to his nature as "pretense."
Who else would choose the yearbook quotation "Better to burn out then to rust out?"
Who else would hold the Marine Corps record for the shortest time debarking from a landing barge and hitting the beach?
Don preferred **doing** to **being.** He worked hard and played hard.
One suspects that he will figure out some way to "rest hard."
Generous to his friends — generous even to his enemies —
Don believed in the power of food and drink to make friends and keep the peace.
How can people quarrel with a glass in one hand and a pretzel in the other?
He and Gigi fed us all: familly, friends, faculty and students.
For him, hospitality was one of the sacraments.
It was the only way he could tell us he loved us.
A very private person, Don was a public man. He was a father to other people's children.
Students felt that they had as much right as any faculty member to fill his office with their plans and complaints.
His phone rang day and night. If he wasn't at the dance, he was at the game. Earlier, he had dropped in at scrimmage.
His voice was recognized at the police station, Town Hall, the Fire Department and the Youth Commission.
And there was no relaxation to be gained from a trip to the Center.
Don believed in the old fashioned American virtues.
He was loyal — even to his own injury.
He was blunt and forthright when others were artful.
He believed in manhood and honor. He believed in patriotism.
He believed in The Common Man and the Stiff Upper Lip.
Don insisted on being himself.
All the secrets he had been told died with him.
We will miss Don in ways impossible to predict.
We will recollect him in odd moments when — unexpectedly —
We will remember his laugh, the creases of his smile and the set of his jaw when he would say —
(against all the evidence, against all common sense) —
"No problem! Everything's going to be all right! No problem!"
The dictionary calls that spirit "faith."
St. Paul, in his Epistle to the Corinthians, said it was a characteristic of "love."

Dedication

"The One and Only" — Donald E. Garland

We, the class of 1983, are dedicating our yearbook in memory of a very special person, Donald Garland. His sudden death is a great loss to us all because he was much more than our principal; he was our friend. Despite his many duties as principal, he was always there to give us advice from his many years of experience, always there to help us with a personal problem, always there to help us grow and learn from our mistakes. The dedication of our yearbook to Mr Garland is a small way for us to express our feelings for a man who cared about people.

Special Recognitions

FOR BEST PERFORMANCE

"The Romans put it together, the Barbarians knocked it apart, and we've been trying to put it together ever since." These words often quoted by Bruce MacDonald seem fitting to describe the difficult role he has had to play during our senior year. He spent the first semester of the school year under the almost unbearable scrutiny of parents, teachers, staff and students. Mr. MacDonald succeeded in creating a supportive atmosphere. He was always accessable, amiable, and assertive. Most important, he used wit and wisdom to take control of situations. Mr. MacDonald has earned the respect and friendship of the entire Weston High community. We proudly recognize him as Best Performer.

Mr. Burke made his physics classes interesting and double labs bearable by turning the radio on to FM 103. Even though his tests were impossible, we struggled through because he was always willing to work with us. His sense of humor and willingness to listen made him a very special Best Performer. Thank you, Mr. Burke, for being the person you are.

SENIOR CLASS ADVISORS

We want to express our thanks to you, Mr. Barclay and Ms. Cosgrove, for all your help and support during our years at Weston High School. You guided us through bake sales and dances and helped us to establish the dinner before the spring musical. Other activities we have done together were the concession stand, the Senior Banquet, the Variety Show (the best!), and, of course, the Graduation party. Thanks and goodbye!

EARLY GRADUATE

ROLL 'EM . . . 1983

"FAST TIMES AT W.H.S."

More things happen at Weston High than people would think. After all, we're always here! Remember the bomb scare? And the fire alarm that burned poor Mr. Skeleton in the Science Department? And the "Student Revolution"? And who can forget 'Blueberry Hill' on Chronicle or the high rating W.H. received in Boston Magazine? We're pretty awesome!

Another major part of Weston High, aside from academics and sports, is the social life. W.H.S. is made up of a lot of different cliques. From the most basic, the jocks, to the stagecrew, and the cheerleaders, cliques can be found. But when it comes to the weekend, everyone gets the party spirit. But the ultimate goal of every student in the high school is to find someone of the opposite sex. Rumors always fly about couples getting together and breaking up. As soon as someone is available, the chase is on! Attack! After all, it's the friends, the fun, and the "fast times" that we'll always remember.

"VISITING HOURS"

What was the most fashionable item to wear at Weston High this year? Crutches, casts and slings! It seemed that Newton-Wellesley was more chic than Bloomingdale's. At the start of fall sports, more students were off the field than on. Broken legs, sprained wrists, and pulled muscles were just some of the casualties students suffered.
Of course, these injury-ridden people were being deprived from participating at team practices and in the games. But just think of all the attention they get. After all, at Weston High, a crutch is certainly the in thing — and the sign of a true dedicated jock!

"CHEAPER BY THE DOZEN"

When one describes Weston, he/she usually labels it a small, family community. Weston High can certainly back this statement considering over forty members of the Senior class have younger siblings in this school. From an older sibling's point of view, it's not so bad having that younger pain in the neck in the same school. It's great being the Senior and teasing the younger brother or sister about being a Frosh and having three years to go.

Although it would seem that the younger sibling would follow in the older ones footsteps, this is not so. Many share the same interests but succeed on their own, without always being referred to as so-in-sos little brother/sister. Other siblings show themselves by doing totally different activities than the Senior. Looking around, you can always see siblings whether fighting or actually getting along.

"THE LAST CONVERTIBLE"

In that all-important Junior year, we begin to start looking into that all-important, unavoidable issue. Not colleges, we are talking about TRANSPORTATION. Not foot power, but real **wheel** power. And how else does one get this power than to have his very own set of wheels? To some, this means anything with four wheels and an engine. But to others, . . . Weston High students have been seen cruising in anything from a large yellow convertible to a bright red firebird, and even a black limo. Whatever car we might have, a new driver might be someone to watch out for. Even after our intellectual stimulation at Commonwealth and Cams, we might still need a little practice. Our best advice — STAY OFF THE ROADS!!!

"WORKING FIVE TO NINE"

Of course Weston is famous for its high pressured academics and quality athletic teams, but how many people are aware of the number of students with jobs? Even with the increasing unemployment rate, you can find various Weston students working after school in the kitchen, preparing or rather sampling dinner at the Weston Golf Club, creating masterpiece sundaes at Friendly's, and checking out food at the Triple A. Their work pays off in more ways than one; these people, because they are earning extra money, always have new clothes, great weekends, and rarely have to beg their parents for "greens."

"ON THE TOWN"

Believe it or not, there is more beyond our horizon than Richardson's, Ye Olde Cottage and Buttricks. The well known city of Boston lies a mere twenty minutes away by car or forty-five minutes by the "T". The city offers many exciting things to do and interesting places to go. There's the Science Museum, the Aquarium, shopping and eating at Fanuel Hall and Newbury Street and the Boston Common. There's also an active night life. People are always spinning around at Spin-Offs, "getting it down" at the Dance Factory and going to rock concerts or sports games at the Garden.

In the future, we will be fortunate enough to remember that in our younger days we made it in Massachusetts.

"FATSO"

Piggin' out . . . getting the munchies . . . Mickey D's . . . stuffing our faces . . . Sound familiar? Those are all lines used during the lunch hour when mean hunger pangs drive us toward a good home cooked meal, like the one's served at MacDonalds or Ye Olde Cottage. Hungry after school? Dunkin Donuts is only a few miles away. And on the weekends, hike into Boston for a delicious gastronomical experience, as many Weston High students do. FOOD. It's something everyone can get into and that no one can do without. Unfortunately this favorite past time of eating shows up on our figures.

WILDCATS

"ANIMAL HOUSE"

S'up? Where's the party? How many times have we heard those famous lines on Friday afternoon? Although parents have discussed the drinking that goes on at parties, students still manage to have successful "get togethers." This past year was no exception. Almost every weekend some innocent house was instantly transformed into an "Animal House" as soon as the rumor of a party spread throughout the school. Whether talking, dancing, posing for pictures, or "doing cold ones," everyone from W.H.S. "Let the good times roll."

"GOING IN STYLE"

Face it. Weston High is noted for its Preppy look, and it certainly seems that espadrilles, Bean boots, oxfords, and alligators are here to stay! We are mentioned in the reknown "Preppy Handbook" as being one of the preppiest communities in the country, not a small achievement. But at last we are finally breaking away from that old pink and green stereotype. This year, we are seeing a lot more miniskirts, jean jackets, cowboy boots, ruffles and the like. "Getting Vogue" seems to be the general trend for future generations at W.H.S.

SWIFT STICKS SCORE

The season opened on September 12th against Acton-Boxborough. For the first time ever, Weston lost its opening game 0-4. After a few changes in personnel, along with additional hard work, Weston went on to win the next six consecutive games. Another first in Weston field hockey occurred when Weston beat Wayland by the unheard of lopsided score 8 Weston 1 Wayland.

We were over all the hurdles now, and met Acton for the second encounter. This time the game ended 0-0. We followed this with six more consecutive wins to finish the season 12-1-1 for 2nd place in the league to guess who?

We qualified early for Tournament play and were seeded second. Weston beat Bishop Fenwich 3-0, then met Ipswich and went into double overtime, double stroke-off to finally take them in a thriller 2-0. The next game was for the North Division Title against Rockport. This game went into sudden death overtime and Weston scored to win the title. Next we traveled to Middleboro to meet the Southern Division Champions, Harwich, and defeated them 2-1 for the North/South Divisional Championship.

Thus with a slow start we had a phenomenal finish and a great time doing it. Three of Weston's returning and starting seniors were named to the DCL All Stars, co-captians Jenny Pyle, Lindsay Tompkins and forward Elaine Segal.

GO WILDCATS IN '83

The Wildcat football team rebounded from a slow first half of the season when their record was 1-3-1 to finish with a strong half surge, ending the season with a 5-4-1 record. Led by Captain Rick Hall the seniors once again proved to be an important factor in the team's success. The dedication, loyalty, and enthusiasm demonstrated by the seniors — Captain Rick Hall, John Cleary, Mark Lang, Tim MacDonnell, Tim O'Brien, Richard O'Connell, Chris Reilly, Ned Sennott, and Marshall Tarbox, helped bring along the underclassmen and developed a feeling of pride among the team. Tim MacDonnell was selected as our outstanding defensive player. Richard O'Connell received the George R. Harris Award. Captain Rick Hall was selected by the coaches as the outstanding offensive player. Rick was also selected by the Middlesex News as our Most Valuable Player and for the second consecutive year was the recipient of the Town Crier Award for his outstanding play in the Weston-Wayland Thanksgiving Game.

The seniors continued the momentum started by the previous season. The momentum of this year's winning season will continue next year, led by the juniors, John Bumpus, Jeff Hall, John Strachan, Joe Taglante, Harry Thompson and many others.

HOTTER THAN EVER!

The Weston High School Boy's Soccer Team, under the guidance of first year head coach Frank Taylor, had its best year ever — ending up at 13-2-2. The Wildcats, led by senior tri-captains Eric Karchmer, John Farina, and Steven Reny, stormed their way to the first Dual County League Championship in history for boys' soccer in Weston. The team also participated in its first state tournament, making it to the semi-finals of the North Sectionals before losing a heart-breaker to Marblehead.

The team was powered by league All Stars Mike McCabe, Mike Prescott, Johan Rostod, John Farina and Steven Reny while seniors Scott Ackley, Jeff Sacher, Eric Karchmer, Doug MacDonald, John Jordan, Kevin Daner, Charlie Pughe and "Mad Dog" John Doyle, each greatly contributed to the team's success. Next year's team, led by Mike Potter, Paul Nyhan, Rich Caruso and Greg Blatt, will have to survive the loss of ten starters, but hopes are high for the Wildcats to win back-to-back League titles.

IN A CRUTCH

The Girl's Soccer season was hampered with injuries, but the moral spirit and enthusiasm of the team persisted and team work was the best ingredient.

The team, led by tri-captains Cara Pollock, Margaret Walton and Diane Leach, competed against some very competitive teams this season and played well.

The recipient of the MVP award was Diane Leach. The coaches Award was presented to Margaret Walton. Cara Pollock received the Tucky Gee Memorial Award. All-Stars were Diane Leach and Jennifer Nichols. Jennifer Nichols also received the Bob Gillis Award.

RUN WILD!

'82 was a good year for the boys Cross Country Team. John Potter and John Strehle were Co-Captains of the 6 and 1 dual meet record team. We defeated all of the old traditional Dual County League teams. However, the new entry this year (Boston Latin) proved to be just a little strong for us as they gave Weston its only defeat in route to their 7 and 0 record.

Seniors John Hersum, and Chris Noble, both new to running this season, were in our top three in every race in which they ran. Peter Ashley had his best season ever and what is next years Cross Country team going to do without Paul Brountas.

The Weston team also became a team to reckon with in invitational meets. We ran strong races in several invitational meets and concluded our season by finishing third (of over forty teams) in our Divisional Meet and 19th in the all state meet.

Richard Manning, Dan Claman, Steve Miller, Steve Minervino, Andy Sheffer, and Chris Vitello, all had excellent seasons and surely brighten the prospects for next year.

NEW BALANCE

The Girls' Cross Country team's record of 3-5 doesn't reflect the effort put in by the entire team. The team was young with only one returning runner, Junior Erin DeChristopher.

Plagued by injuries, the twelve member team never had more then eight runners competing. Karen Allen and Debbie Harris were the only Seniors. Next season, the team will be strong, led by D.C.L. All-Star Jeanne Hart.

NET LOSS

The Girls' Basketball Team finished with a record of 2-15. The season was not as bad as the record indicates. Weston's overall play was much improved and the team lost several close games. Seniors Pam Adams and Lisa Payne were co-captains of the team. At the end of the season Lisa Payne was selected as a DCL All Star and as the recipient of the MVP trophy. Other team members included Karen Allen, Jamie Saunders, Diane Leach, Lori Stubbs, Margaret Grace and Missy Pan.

The JV team finished the season with an impressive record of 11-6. JV players included Anne Mollering, Loralee Ryan, Jenny Brountas, Lisa Houde, Marcia Downey, Wanda Murphy and Susan Espo.

With strong freshmen and JV team members, the outlook for girls basketball is indeed optimistic.

A YEAR TO BE FORGOTTEN

Despite their 1-16 record, the Weston Boys Basketball team displayed determination, hustle, and sportsmanship throughout the season. Led by Captains Jeff Cail and John Hersum the team should be praised for their winning attitude and excellent effort. Led by MVP Jamie Turner and an improved JV squad next years season should be better. Jeff Cail received the Unsung Hero Award, Jack Cort received the Most Improved Award and Jon Savitz received the Coaches Award.

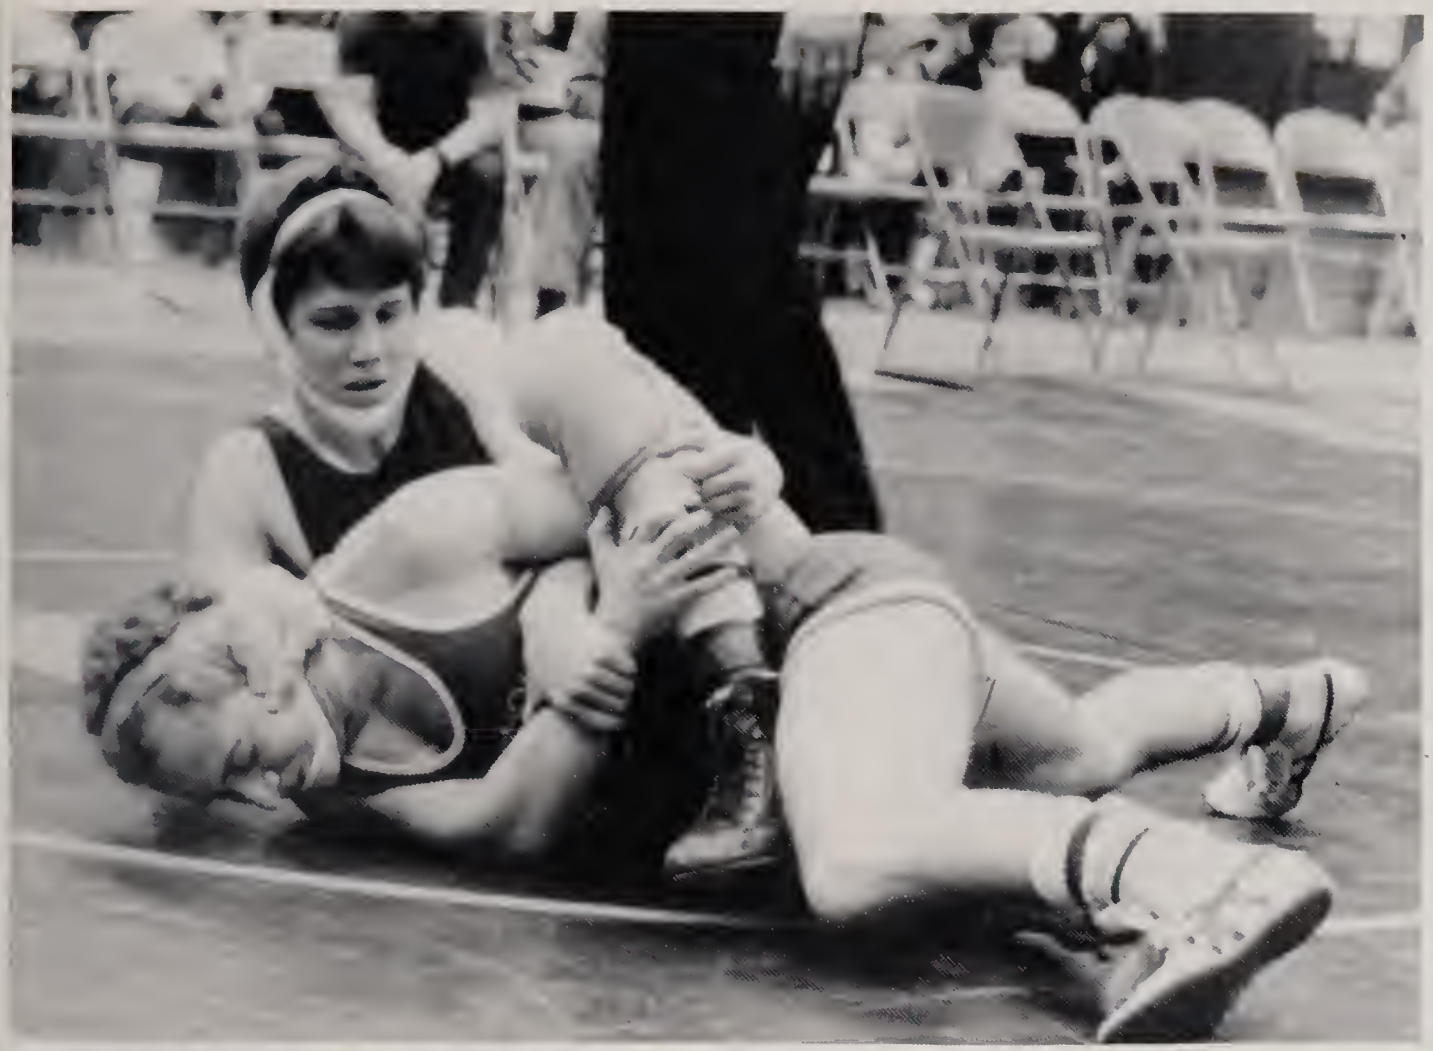
MATMEN MANGLE MANY

The Weston wrestling program came a long way in 1982-83 season. Led by co-captains Charlie Pughe and Eric Karchmer, the squad compiled a record of 13-3-1. It was the first winning season even for Weston wrestling. Depth was the key factor in Weston's improvement this year. The team was able to field an experienced wrestler in every weight class. The balance that was the hallmark of this year's squad should lead next year's squad to even greater successes as only a handful of seniors will be lost to graduation.

Rookie of the Year went to Craig Gunderson, and **Most Improved** players were Wes Atamian and Jamie Goldstein. Meanwhile, **Most Valuable Wrestler** went to Charlie Pughe and the **Coach's Award** went to Eric Karchmer.



WRESTLING **Row 1:** Eric Karchmer (co-captain), Charlie Puche (co-captain). **Row 2:** Emmett Grady, Tom Davidson, Craig Gunderson, Jamie Goldstein, Patrick Noble, Adam Berman, Rob Gee, Dan Gilman, John Friedburg, Robbie Stringer, Curtis Johnson, Wes Atamian. **Row 3:** Tom Healy, Cliff Derrick, Dave Smith, Rob Mosher, Willie Puche, David Katz, Curtis Trousdale, Tom Wooters, Mike Williams, Scott Karchmer, Peter Cutter, Kent High, Neil Marshall, Jeff Fiske, Jim Park, Coach Baldanza. **Row 4:** John Santos, Steve Mollett, James Keydel, Dennis Kirshy, Mike Friedburg, Joe Tagliente, Ronald McPherson, Dan Urell, David Bernat.

IN A DEEP FREEZE

The Weston High School varsity hockey team had a tough season this past winter. In our case this year, the enjoyment flowed from the playing, rather than from the thrill of victory.

When we look back at the season, we remember a strong intent to win, a lot of good league and non league opponents, and a lot of close games. It was unfortunate we didn't attain a few "win" points to fulfill the excitement of victory.

But win points aren't the only points that make a season. One could feel tremors of motivation emanating from the team to acquire the common goal of a victory.

The captains of the 1982-83 team were Jeffrey Sacher and Mike Prescott, seniors who have been on the team since freshman year. This year Jay Palmer received the Mr. Hustle award. The M.I.P. award was awarded to Tom Cappello, Tim O'Brien was the player with the most desire, Jeffrey Sacher was awarded the 7th player, and Mike Prescott was chosen as D.C.L. Allstar.

The Boys' Winter Track Team tied for the Dual County league title with a record of 6-1. This marks the sixth time in the last seven years that the team has either won or tied for the championship. Fine relay running by both the one-mile and two-mile relays, strong efforts by the sophomore distance crew, and field event dominance by Rick Hall and Tim MacDonnell provided the season's highlights. Of course, no one will soon forget the great anchor leg by "Dough" on the mile relay in the Bedford meet, or the continued dominance by Tim Donovan in pre-practice basketball.

For the fifth time in the last seven years, the Girls' Winter Track Team finished the season as undefeated Dual County League champions. Season highlights were the victory over defending champion Acton-Boxboro as well as fine performances on the state level, especially by the two-mile relay. With a solid group of underclass-women (especially) an outstanding sophomore class) the team looks forward to continued success in the years to come!

TIDAL WAVE

The Weston High Swim team capped off another successful season by winning their first ever state championship in late February. Along the way, "The Red Tide" captured their seventh consecutive Dual County and E.M.I.S.A. Western Conference Championships along with their third straight North Sectional Title. Bishop Hendriken from Warwick, Rhode Island placed the only blemish on a 13-1 dual meet season that was highlighted by Coach Pete Foley's 150th career win at Weston.

Coach Foley attributed the teams success to great depth, fantastic spirit, and a willingness of team members to push themselves to the limit in daily practice and weight training sessions. Co-Captains Jon Kohn and Tom Valle, along with Seniors Mike Kaneb, Paul Ferri, John Strehle, Christine Palmer and Caroline Zraket, provided the essential leadership for a championship season.

The State meet victory was highlighted by two relay victories. Kohn, Valle, Tony Baker and Alan Jacobson took the 200 yard medly relay while Valle, Ferri, Kanab and Mike Delduchetto went on to win the 400 yard Freestyle event. The team's motto of "THINK BIG IN THE 80's" proved true during the 82-83 season.

THE EDITORS. Row 1: David Komessar, Sarah Williams, Diane Santos, Wade Shannon.

This year we, the Yearbook staff proved Murphy's Law to be true — everything that could go wrong did go wrong. It all started when the editors decided to make this year's yearbook unique. We decided upon the theme about two weeks before our first deadline. In this deadline, we wanted to include pictures in Boston. The day we chose to go there was the day the KKK marched. We also wanted to get pictures of kids at parties but it happened to be when articles about parents concern about alcohol in the high school were being published in the Town Crier. Even though the '83 picture was taken twice it still did not come out right — Oh well, so we won't have it in the yearbook.

From there it got even worse. We learned that the seniors were inept when it came to counting lines for quotes. Coaches also had problems handing in write-ups. Everything was misplaced at least once, especially on days of deadlines. But, never fear, when deadlines come around, Logan Airport was only a short ten minutes away. (That's when Wade's driving!)

In spite of all the problems we had, the Yearbook is the best ever. Thanks to all those who worked on it. AND SPECIAL THANKS TO LIZ FIRST FOR ALL HER HELP WITH THE THEME.

"WAITING FOR GODOT" WAS WORTH THE WAIT

"Waiting For Godot", a tragicomedy in two acts by Samuel Beckett, has been described as a play where nothing happens, **twice**. In the production done by Weston High School, this so-called nothing really made something happen. The play became an "experience" for all who watched it.

In this play, two grubby tramps — Estragon and Vladimir, played by Richard Nichols and Charles Moore — are doomed to wait for the arrival of a certain Mr. Godot. The waiting fills their days, and although they complain bitterly and try to fill their time with various diversions, the one thing that gives them "the impression they exist" is the waiting.

The identity of Godot, who never does appear, remains a mystery. Could he be God, Death, the Future, or what?

"Was I asleep while the others suffered? Am I sleeping now? Tomorrow, when I wake, or think I do, what shall I say of today? That with Estragon my firend, at this place, until the fall of night, I waited for Godot? That Pozzo passed, with his carrier, and spoke to us? Probably. But in all that, what truth will there be? . . . Astride of a grave and a difficult birth. Down in the hole, lingeringly, the grave-digger puts on the forceps. We have time to grow old. The air is full of our cries . . . But habit is a great deadener . . . At me too someone is looking, of me too someone is saying, He is sleeping, he knows nothing, let him sleep on . . . I can't go on! . . . What have I said?"

COLOPHON

The 1983 Weston High School Yearbook was published by Hunter Publishing Company of Winston-Salem, North Carolina. Our representative was Arnie Lohmann.

450 copies of the 7¾ x 10½, 192 page book were printed using black ink. Dull 80 lb. enamel paper was used and the type style was Souvenir Light Roman. The cover is custom quarter bound with the title and spine lettering done in silk screen process. The year on the cover was done in silver foil stamping process.

We would like to thank Mrs. Nickeson, Mrs. Hatch and Fred Lepine for all their help!
